

DISCHARGE DYEING

Learn N'Ketiah Brakohiapa's Technique for Design Through Color Removal

Saturday, June 5, 2010 • 10am to 4pm
at the CE Studio, Rahway, New Jersey

In this ONE-DAY WORKSHOP with artist **N'Ketiah Brakohiapa**, you'll learn the personal technique of N'Ketiah, a textile artist from Ghana. This workshop will teach you how to create distinctive fabric designs through the *removal* of color from the fabric, rather than the *addition* of color on natural fiber fabrics. Suitable for all skill levels. We'll review a variety of N'ketiah's beautiful apparel/ garment, fashion, home decor and accessories as inspiration, samples that everyone can accomplish in a day. Then be guided step-by-step in the process.

- **Design selection** N'Ketiah's own screens, stamps and design transfer tools will be available for use, or feel free to bring your own.
- **Application** We'll work with his preferred discharge medium, a non- toxic, fume-free formula.
- **Completion** Once the design is made, simple finishing steps will result in a unique piece of fiber art to be used in your quilts, fashion, accessories or home décor!

Fabrics will be provided, or bring your own NATURAL FIBER fabrics. The instructor recommends cottons, rayons and/or silks with a napped surface — velvet, velveteen, corduroy, etc.

COST: \$150 per person includes:

- Personalized instruction, plus discharge medium & fabrics to work with.
- Use of the instructor's screens, stamps and other design transfer tools
- Morning refreshments and a light lunch will be served.
- 10% discount on all CE merchandise for the day

ABOUT THE INSTRUCTOR

N'ketiah Brakohiapa is a batik, print and tie-dye specialist employing the traditional resist & dye methods of his native Ghana. His batiked, screen printed and handpainted creations are perfect for today's fashionable and environmentally conscious consumer.
