

One of our favorite SewJourns!
Get acquainted with Santa Fe's unique cultural mix and artistic vibe. Enjoy hands-on workshops with acclaimed local artists, learning and creating your own special souvenirs in the process.

Along with two days of indigo dyeing, we'll explore other hands-on fiber arts. Did we mention the single suite accommodations, the services of an award-winning tour guide, plus food, drink and general merriment? Our SewJourn ends with a farewell dinner on Monday evening, allowing for easy airport departures on Tuesday morning.

Treat yourself!
